Nissan Forklift

Nissan prides itself on achieving overall consumer fulfillment when their buyer is enjoying one of their numerous trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to offering high value and detail-oriented quality values to their customers. Incorporating a rich heritage combined with strong manufacturing principals, Nissan Forklifts provide some of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide wishes of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to delivering customer support, the company has four separate production facilities that allow them to persistently adapt to their clients continually evolving requirements by providing a variety of innovative ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, manufacture, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental responsibility by using methods and processes that reduce their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their consumers command while being an environmentally aware corporation.

Nissan is fairly certain that any of their customer's queries and client worries directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally endorsed dealers or even traveling to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their warmth and commitment.
